

Plugin BigBlueButton

Use this wiki plugin, introduced in Tiki5, to invoke a BigBlueButton in a page.

Parameters

Hold a video/audio/chat/presentation session using the BigBlueButton web conferencing system.

*Introduced in Tiki 5. Required parameters are in **bold**.*

[Go to the source code](#)

Preferences required: `wikiplugin_bigbluebutton`, `bigbluebutton_feature`

Parameters	Accepted Values	Description	Default	Since
name	text	MeetingID for BigBlueButton. This is a 5 digit number, starting with a 7. Ex.: <code>77777</code> or <code>71111</code> .		5.0
<code>showattendees</code>	alpha	Enable or Disable the display of attendees list.	y	
<code>showrecording</code>	alpha	Enable or Disable the display of video recordings.	y	
<code>prefix</code>	text	Unregistered users will get this token prepended to their name.		5.0
<code>number</code>	text	The phone-in support number to join from traditional phones.		5.0
<code>logout</code>	url	URL to which the user will be redirected after logging out of BigBlueButton.		5.0
<code>voicebridge</code>	digits	Code to enter for phone attendees to join the room. Typically, the same 5 digits of the MeetingID.		5.0
<code>welcome</code>	text	A message to be provided when someone enters the room.		5.0
<code>recording</code>	0 1	The recording starts when the first person enters the room, and ends when the last person leaves. After a period of processing (which depends on the length of the meeting), the recording will be added to the list of all recordings for this room. Requires BBB >= 0.8.	0	5.0

×

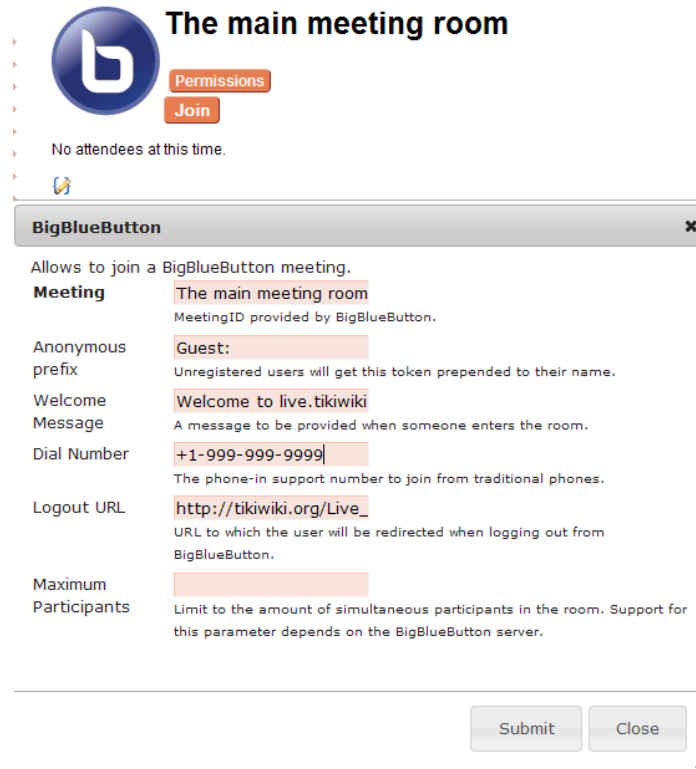

i Tip

You should give both `tiki_p_bigbluebutton_join`, `tiki_p_bigbluebutton_create` and `tiki_p_bigbluebutton_view_recordings` permissions on the room (not globally). This is useful in case the BBB server is rebooted.

Example

```
{bigbluebutton name="Room-Number" prefix="Guest: " voicebridge="Room-Number" logout="URL-of-the-logout-page" recording="1"}
```

You can see an example at Live. Below is a screenshot:

The screenshot shows the BigBlueButton interface for a meeting titled "The main meeting room". At the top, there is a blue circular logo with a white 'b' and two buttons: "Permissions" and "Join". Below the logo, it says "No attendees at this time." and shows a small icon of a person. The main part of the interface is a form titled "BigBlueButton" with a close button (X). The form contains several fields with labels and descriptions:

- Meeting**: The main meeting room (MeetingID provided by BigBlueButton.)
- Anonymous prefix**: Guest: (Unregistered users will get this token prepended to their name.)
- Welcome Message**: Welcome to live.tikiwiki (A message to be provided when someone enters the room.)
- Dial Number**: +1-999-999-9999 (The phone-in support number to join from traditional phones.)
- Logout URL**: http://tikiwiki.org/Live_ (URL to which the user will be redirected when logging out from BigBlueButton.)
- Maximum Participants**: (Limit to the amount of simultaneous participants in the room. Support for this parameter depends on the BigBlueButton server.)

At the bottom right of the form, there are two buttons: "Submit" and "Close".
