

# Module Contributors

This module lists the contributors to the wiki page being viewed and some information on them.

## Usage

To use module **Contributors** module in a wiki page:

---

```
{module module="contributors"}
```

where: Displays the specified number of the blog post comments most recently added.

[Go to the source code](#)

*Preferences required:* feature\_blogs

Parameters    Accepted Values

Description

Default Since

nodate

moretooltips

---

If set to "y", the date of comments is not displayed in the module box. Default: "n".

If set to "y", blog post title is only visible as a tooltip and not displayed. Default: "n" Options: "y,n"

---

# Example

In the example below we pass in a wiki page the module Newest Blog Post Comments through the plugin module.  
So, this code:

```
{module module="contributors"}
```

Produces on this site:

[Baraka Kinywa](#)

Baraka Kinywa

 Democratic Republic of the Congo

[Josue Zirimwabagabo](#)

Josue Zirimwabagabo

 Democratic Republic of the Congo
