

Plugin Group List

Introduced in [Tiki5](#)

This [wiki plugin](#) displays a list of groups or groups within a group.

Parameters

Tiki Doc From Code error: grouplist not found

Code

Both variations work - inline and Tag style

```
{grouplist parameter1="value1" parameter2="value2"} or {GROUPLIST(parameter1=value"1" parameter2=value"2")}{GROUPLIST}
```
