Table of Contents Snippet

Posted by [DMerkling](#) Thu 13 Dec, 2007 21:20 GMT-0000 posts: 1 

Can someone send me the snippet of code from the main page that is in the "Most Popular Pages" box and handles the "Documentation - hierarchical table of contents." link? I have not been able to get a global table of contents to show on my wiki home page. Thanks.
